September 24, 2002

Sir:

We enclose a copy of a Petition filed March 14, 2002, and attachments, in the above-referenced application. We also enclose a copy of the PTO postcard, acknowledging receipt of these documents on March 14, 2002, and a copy of a cancelled check in the amount of \$300.00. Applicants have not received any decision on the petition, and in a telephone conversation with agents of the Petition's Branch on September 19, 2002, it was determined that the United States Patent & Trademark Office computer system did not reflect the receipt of any such petition. It is therefore respectfully requested that the attached evidence be accepted as evidence of the filing of the Petition on March 14, 2002, and that a favorable decision on the petition be entered in due course. It is further requested that the response to Notice to File Missing Parts be entered, and that prosecution proceed in a timely fashion.

PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT

Commissioner for Patents
Washington, D.C. 20231

March 14, 2002

Sir:

Applicants respectfully petition the Commissioner to Withdraw the Holding of Abandonment noted in the Notice of Abandonment dated January 30, 2002, in the above-referenced application.

The Notice of Abandonment indicated that the application was abandoned for failure to timely or properly reply to the Notice to File Missing Parts dated August 30, 2000.

Applicants hereby Petition for Withdrawal of the Holding of Abandonment due to the fact that applicants' attorney never received a Notice to File Missing Parts in this application.

Applicants respectfully submit that applicants' normal procedure upon receiving government mail such as a Notice to File Missing Parts is to docket the due date in applicants' electronic (CPI™) docketing system. In this case, if the Notice to File Missing Parts was dated August 30, 2000, the docketing department would have, through the course of normal business practices, docketed a response due for October 30, 2000. Applicants enclose herewith a copy of the CPI printout for October 30, 2000; as you can

OFFICE OF PETITIONS

see, there are no docket entries for this application due to the fact that no Notice to File Missing Parts was received.

A further practice at our firm is to write, by hand, Office Action/docketable item receipt on the front page of the file, along with the due date. We enclose a photocopy of the front page of the file, showing no entries for any Office Actions or due dates.

Finally, as a third piece of evidence, we enclose a copy of the October 30, 2000 page of Douglas H. Goldhush's private docket book. It is a further practice of Mr. Goldhush and his assistant to enter, by hand, the due date information for any Office Actions or Notices to File Missing Parts which are received based on applications which he filed. Since Mr. Goldhush was the responsible attorney for filing this application on May 24, 2000, any Notice to File Missing Parts would have, if received, been forwarded to Mr. Goldhush and entered into his docket book. As evident from the copy of the October 30 page attached herewith, there is no entry.

In summary, therefore, applicants submit that this Holding of Abandonment was made in error, due to the non-receipt of the Notice to File Missing Parts.

Applicants have not, as yet, seen the Notice to File Missing Parts. However, filed herewith is a Response to a Notice to File Missing Parts, which contains a Declaration under 37 CFR § 1.63. Since the application was otherwise properly filed, this should be a full and complete response to the Notice to File Missing Parts.

It is therefore respectfully requested that the Holding of Abandonment be withdrawn, and this application passed to issue.

In the event that this petition is not deemed to be proper, it is respectfully requested that this Petition be deemed to be a Petition to Revive on the grounds of unavoidable delay, under 37 CFR § 1.137(a). All of the requirements of such a Petition are met by the explanations and evidence provided herewith.

Furthermore, in the event that such a Petition is denied, this Petition is requested to be considered a Petition to Revive on the grounds of unintentional delay, pursuant to 37 CFR § 1.137(a). However, it is respectfully submitted that the Petition for Withdrawal of Holding of Abandonment or Petition to Revive due to unavoidable delay is sufficient.

Enclosed is a check in the amount of Three Hundred Dollars (\$300.00) to cover the petition fee of \$130.00, the surcharge fee of \$130.00, and the assignment recordation fee

of \$40.00. In the event that this check is found to be insufficient, or if any additional fees are due with respect to the filing of this paper, please charge Deposit Account Number 01-2300.

Respectfully submitted,
